Lithofin MN Stain-Stop

New Formula - Even Better Results

Benefits of the new formula are:

- Over 50 years of development
- Improved effectiveness
New ingredients penetrate the stone faster and provide even longer oil repulsion.
- Easier to use
Product residues are easier to remove, and can be polished off up to 24 hours after application.
- More versatile
Reduced colour enhancement allows for broader range of use. Highly suitable for resin-treated and reconstituted stone.
- Breathe easier
Odour levels are significantly reduced.
- Support system of special cleaners & maintenance products.

The Premium Brand for Cleaning, Protecting and Maintaining Natural Stone, Engineered Stone, Porcelain, Ceramics, Terrazzo, Terracotta and more...

... they all have different structures and require different products to achieve optimum results. Lithofin's extensive range is built on specifically formulated products for each type of material. Whether Domestic, Commercial or Trade, when it comes to protecting and maintaining your tiles and benchtop surfaces, do it the right way... do it with Lithofin!
